Marti Laine Continues Their Tradition as Founders

We are incredibly grateful for the love, time, and effort Patti of Patti’s Pouring the modern world to support, inspire, and challenge. Together, we are building the future. Two leaders: Marti Laine and Patti. Marti Laine founded the Miami Light House, Patti founded the Miami Lighthouse. Together, they are creating the Miami Light House and Lighthouse for Children.

Marin Laine Hosts "Touch Tour"

Our family visits indicate that the world of touch is a world of potential. The Miami Light House and Lighthouse for Children are creating opportunities for children with disabilities to explore the world of art and nature. The "Touch Tour" is an opportunity for children to experience the world of art and nature in a new way.

Our Vision for the Future

Our vision is to create a world where children with disabilities have access to the arts and nature. We want to create a world where children with disabilities have access to the arts and nature. We want to create a world where children with disabilities have access to the arts and nature.
