## **Beeping Easter Egg Hunt is a major success!**

Miami Lighthouse Academy Students enjoyed a wonderful holiday tradition on Thursday, April 14th, as they searched for colorful beeping eggs hidden by the mythical Easter Bunny throughout Miami Lighthouse's campus garden. The sounds emitted by the eggs enabled the blind and visually impaired children to locate them by listening, rather than searching by sight.

Our thanks go out to the South Florida Police Benevolent Association and the Miami-Dade Police Department Bomb Squad who sponsored the event and assembled the beeping eggs. The Bomb Squad members also brought with them a friendly police dog and a police robot to interact with the children and distribute holiday baskets and candy.

## **Teenage students from our Transition Program enjoy fishing experience**

Thanks to Miami-Dade Commissioner Sally Heyman in partnership with the Aventura Marketing Council / Chamber of Commerce, several teenage students recently attended the 2nd Annual Cops, Kids & Community Friendship Thru Fishing Event aboard a boat leaving from Haulover Park. The fishing was a brand-new exciting experience for so many who had never been on a fishing boat before.

*Miami Lighthouse Art Instructor Aaron Hill, Miami-Dade Commissioner Sally Heyman, Director of Rehabilitation Programs Florian Utchitel, and our Miami Lighthouse students*

*Miami Lighthouse teenagers enjoyed deep sea fishing in Miami, FL.*

## **Ocean Reef Community Foundation awards our Florida Heiken Children's Vision Program**

We express our most sincere gratitude to the Ocean Reef Community Foundation for their generous \$10,000 grant to our Statewide Florida Heiken Children's Vision Program. This award will help provide comprehensive eye examinations and prescription glasses when needed to low income children in Homestead, Florida City and the Florida Keys. Our Heiken Program brings mobile optometric units directly to Title 1 schools, advancing eye health equity for many children who would not otherwise have the opportunity to have a dilated eye exam in addition to regular vision screening.
